

Fund Summary

MFS Meridian Funds

This Fund Summary is for the following ILP sub-fund and should be read in conjunction with the Product Summary

MFS Meridian Funds – Global Equity¹

¹ *The ILP sub-fund feeds into the Restricted Foreign Scheme in Singapore*

Restricted Foreign Scheme

- (a) The scheme is not authorised or recognised by the Authority and units in the scheme are not allowed to be offered to the retail public; and*
- (b) Any written material issued in connection with the offer is not a prospectus as defined in the Act and, accordingly, statutory liability under the Act in relation to the content of prospectuses would not apply.*

You should consider carefully whether the investment is suitable for you.

Structure of ILP Sub-Fund

The ILP sub-fund is a feeder fund investing in the sub-fund of MFS Meridian Funds. MFS Meridian Funds is an umbrella fund established in Luxembourg as an investment company with variable capital (Société d'Investissement à Capital Variable or "SICAV"). The Company qualifies as an undertaking for collective investment in transferable securities (a "UCITS") and the Directors have obtained authorizations for recognition of MFS Meridian Funds under EC Council Directive 85/611 as amended by EU Council Directives 2001/107 and 2001/108 for marketing in certain Member States of the European Union. Please refer to the section on "Part I: General and Company Information – Summary of Main Features" in the MFS Meridian Funds Prospectus for further information on the structure of MFS Meridian Funds.

Information on the Manager

Investment Manager

MFS International Ltd. (MIL) is a wholly owned subsidiary of MFS Investment Management®. MIL promotes the sale of offshore investment products to non-U.S. citizens through third-party fund distributors around the world.

The MFS Meridian Funds family, a Luxembourg SICAV with over \$12.1 billion in assets, as at 31 March 2011, is the primary product group offered by MIL. The MFS Meridian Funds family is designed to serve all of MFS' global fund markets and offers over 30 sub-funds providing investors a broad spectrum of asset classes for investment in almost every region of the world's established, developed, and emerging financial markets.

In 1924 MFS established the first mutual fund in the United States. With its invention, the firm helped make the U.S stock market, previously the exclusive domain of the wealthy, accessible to the average investor. Today, that commitment to putting investors first remains evident in everything about the firm. MFS established one of the investment management businesses first in-house research departments in 1932 and continues this tradition of leadership and innovation that is focused on serving investor needs.

Since 1982, MFS has been a subsidiary of Sun Life Financial, Inc. (a diversified financial services organization). While MFS operates with considerable autonomy, this partnership offers the firm additional resources as it continues to expand its global research presence.

Other Parties

Source of Fund Performance: MFS

Source of Benchmark Performance: FactSet, SPAR

* *MFS Meridian Funds - Global Equity Fund A1EUR : 12 March 1999*

² *Performance shown in fund currency and calculated before sales charges is deducted. Fees and charges payable through deduction of premium or cancellation of units are excluded in deriving the performance. Performance is calculated on the assumption that all dividends and distributions are reinvested, taking into account all charges which would have been payable upon such reinvestment.*

Start of Fund Performance : 17 March 1989

Fund Inception date : 12 March 1999

Start of Class Performance : 12 March 1999

The MFS Meridian Funds offer several share classes each with different expenses. Performance reflects the performance of the oldest share class with the same currency until the actual start of class performance record of the class detailed. Performance for periods prior to the start of class performance record of the relevant share class and prior to the fund's inception date may have been higher or lower had the actual fund and class fees and expenses been reflected. These results represent the percent change in net asset value. The performance shown above includes periods prior to the new fund's inception date and reflects performance of another MFS fund managed in a substantially similar style, whose assets were contributed to the fund on 26 September 2005.

Expense Ratio and Turnover Ratio

Fund	Expense Ratio	12 Month Turnover Ratio ³
MFS Meridian Funds – Global Equity Fund	1.95%	-36.83%

³ *Turnover: LUX: This mode is based on the following calculation: (Purchases + Sales) - (Subscriptions + Redemptions) / Average Total Net Assets*

The expense ratio excludes: brokerage and other transaction costs; performance fee; foreign exchange gains and losses; front or back-end loads arising from the purchase or sale of other funds; and tax deducted at source or arising from income received.

Soft Dollar Commissions or Arrangements

Although soft-dollar arrangement are currently permitted by securities law, MFS has made permanent its current ban on the use of brokerage commissions to acquire third party research and market data services.

Conflicts of Interest

Please refer to the section on “Part I: General and Company Information – Company and Service Provider Information” in the MFS Meridian Funds Prospectus.
