In addition, it will also inform your emergency contact which you have already set up with our eCall mobile application, if any.

To achieve this, you must have your car equipped with the eCall device provided by us and pair it with our eCall mobile application via bluetooth and have internet connection on your paired mobile phone. The same service is also extended to your authorized driver, if any.

We provide 3 years warranty on the eCall device. In the event it is not working within 3 years of issuance from us, you may contact us for a one-for-one exchange. However, we will not be responsible if the eCall device has been tampered with, misused, or dismantled.

If you have been issued an eCall device previously, we will not provide a new eCall device for you again within the next 3 years upon any new policy issuance or renewal.

- In order to avoid undue delays, please advise **us** during the early stages of **your** claim if a manual transmission replacement car is required. Manual transmission replacement cars can be supplied, provided the car being repaired is also equipped with a manual transmission.
- If **you** require the replacement car for more than 10 days, this will be at **your** own cost.
- If **you** chose not to have the replacement car provided, **you** will not be entitled to an alternative replacement car from an alternative supplier or any alternative form of compensation.
- Please note that the replacement car covers use for social, domestic and pleasure purposes and for use in connection with the **policyholder's** own business. It does not cover use for (i) hire and rewards, (ii) racing, pace making, reliability trial or speed testing, (iii) driving tuition or tests, (iv) the carriage of goods (other than samples) in connection with any trade or business, (v) any purpose in connection with the motor trade.
