SUB-FUND SUITABILITY

WHO IS THE ILP SUB-FUND SUITABLE FOR?

- The ILP Sub-Fund is only suitable for investors who:
 - are looking to maximise total return through a combination of both income and capital growth;
 - are looking for a diversified exposure to fixed income markets that are economically tied to emerging market countries and are willing to accept the risks and volatility associated with investing in such markets; and
 - have an investment horizon over the medium to long term.

An investment in the Underlying Fund should not constitute a substantial proportion of an investment portfolio.

The ILP Sub-Fund does not distribute income and where applicable will re-invest any income received from Pimco Funds: Global Investors Series plc- Emerging Markets Bond Fund E Acc USD (the "Underlying Fund").

Further Information

Refer to "Investment Objectives and Policies" of the Underlying Fund's Supplement for further information on Sub-Fund suitability.

KEY FEATURES OF THE SUB-FUND

WHAT ARE YOU INVESTING IN?

- You are investing in an ILP sub-fund that feeds 100% into the Underlying Fund, which is an umbrella type open-ended Investment Company incorporated with limited liability under the laws of Ireland, authorised by the Central Bank of Ireland as a UCITS.

Refer to "Investment Objectives and Policies" of the Underlying Fund's

¹ For ILP sub-funds that feed 100% into an underlying CIS fund, some of the information provided below could be similar to the underlying CIS fund.

² In order for units in the ILP sub-fund to be classified as Excluded Investment Products, the investment objectives and investment focus of the ILP sub-fund, and investment approach of the manager have to be stated in the product summary:

- (a) to invest only in deposits or other Excluded Investment Products; and
 (b) not to engage in securities lending or repurchase transactions for the ILP sub-fund.

The definition of "Excluded Investment Product" can be found in Annex 1 to the Notice on Recommendations on Investment Products [Notice No. FAA-N16] at <http://www.mas.gov.sg/Regulations-and-Financial-Stability/Regulations-Guidance-and-Licensing/Financial-Advisers/Notices.aspx>.

<ul style="list-style-type: none"> The investment objective of the Underlying Fund is to seek to maximise total return, consistent with prudent investment management. The current dividend policy is to pay to holders of Income Shares the Net Income and/or capital (where applicable) of the Underlying Fund, if any. The Net Income allocated to Accumulation Shares will neither be declared nor distributed but will be reinvested. Please note that where Shares distribute capital, this may reduce the NAV of the Underlying Fund. 	Supplement for further information on features of the Sub-Fund.

		Fund.				
Market and Credit Risks						
<p>You are exposed to credit risk The Underlying Fund is subject to credit risk as it could lose money if the issuer or guarantor of a Fixed Income Security in which it invests, or counterparty to a derivatives contract, is unable or unwilling to meet its financial obligations. The Underlying Fund may invest all of its assets in high yield securities that are in default with respect to the payment of interest or repayment of principal, or presenting an imminent risk of default with respect to such payments.</p> <p>You are exposed to currency risk The Underlying Fund is subject to currency risk as changes in exchange rates between currencies or the conversion from one currency to another may cause the value of the Underlying Fund's investments to diminish or increase.</p> <p>You are exposed to interest rate risk The Underlying Fund is subject to interest rate risk as the value of Fixed Income Securities held by the Fund is likely to decrease if nominal interest rates rise.</p>						
Liquidity Risks						
<p>You are exposed to liquidity risk where it invests in derivative instruments which are difficult to purchase or sell. If a derivative transaction is particularly large or if the relevant market is illiquid, it may not be possible to initiate a transaction or liquidate a position at an advantageous time or price. The Underlying Fund is not listed in Singapore and you can redeem only on Dealing Days. There is no secondary market in Singapore for the Underlying Fund.</p>						
Product-Specific Risks						
<p>You are exposed to global investment risk The Underlying Fund is subject to global investment risk as securities of certain international jurisdictions may experience more rapid and extreme changes in value.</p> <p>You are exposed to emerging markets risk The Underlying Fund is subject to emerging markets risk as it invests in securities of issuers based in developing economies which may present market, credit, currency, liquidity, legal, political and other risks different from, and potentially greater than, the risks of investing in developed foreign countries.</p> <p>The Underlying Fund may be subject to high yield risk such as greater levels of interest rate, credit and liquidity risks than Funds that do not invest in such securities.</p>

VALUATIONS AND EXITING FROM THIS INVESTMENT

HOW OFTEN ARE VALUATIONS AVAILABLE?

All ILP Sub-Funds will be priced based on the frequency of the fund manager’s pricing. The fund prices are available at Aviva Ltd’s website at www.aviva.com.sg.

HOW CAN YOU EXIT FROM THIS INVESTMENT AND WHAT ARE THE RISKS AND COSTS IN DOING SO?

- You can exit the ILP Sub-Fund by submitting a request for withdrawal or fund switching (i.e. switches) to Aviva Ltd.
- If your Policy is newly incepted, you may cancel the Policy by giving us written notice of cancellation provided that such notice of cancellation is received by Aviva Ltd at its Registered Office within the free-look period, which is fourteen (14) days from the date on which you receive the Policy.
 - Upon cancellation of the Policy, Aviva Ltd will sell all units allocated to the Policy at the next appropriate ILP Sub-Fund Valuation Date and will pay all sums received upon such sale to you on or before the settlement date. No increase in market value of the units allocated to the Policy shall be payable to you. No interest shall accrue or be payable on any sums payable to you pending payment. Any applicable Fees and Credit Card Charges deducted from the Policy will be refunded to you and the exit fee will be waived.
- For subsequent withdrawal/surrender or fund switching, Aviva Ltd must receive your applications by 12 noon (Singapore Time) for the withdrawal/surrender or switches to be based on the same working day’s price and currency conversion (if required). Applications received after 12 noon (Singapore Time) will be allocated using the next working day’s price and currency conversion. For partial/full withdrawal, exit fee may be applicable.
- The ILP Sub-Fund will have a single “dealing” price used for all switches and withdrawals/surrenders. There is no bid/offer spread, except where the fund house imposes a charge on the Underlying Fund.
- The ILP Sub-Fund will be priced based on the frequency of the fund manager’s pricing policy. As units are cancelled using a forward price, the unit price for all switching and withdrawal of units will not be available at the time of receiving your application.

The cut-off time stated is correct as at the time of print. Aviva Ltd reserves the right to change the cut-off time by giving you thirty (30) days’ prior notice or any such shorter period of notice as Aviva Ltd may agree with the relevant authorities.

- The Withdrawal Amount you will receive as part of a subsequent withdrawal is illustrated as follows:

Assuming: Policy term of 10 years and the Policyholder wishes to exit in Year 5; Initial Units withdrawn = 10,000; Unit price = S\$2; Exit Fee applicable in Year 5 is S\$6,950.

Withdrawal Amount = 10,000 X S\$2 = S\$20,000

Amount payable to You = S\$20,000 – S\$6950 = S\$13,050

Refer to the Pricing of Units & Dealing Deadline, Fund Switching, Withdrawal/Surrender and Free Look sections of the Product Summary for further information

APPENDIX: GLOSSARY OF TERMS

Business Day	: refers to any day other than a Saturday, Sunday and gazetted public holiday on which commercial banks are generally open for business in Singapore.
Dealing Day	: means any day on which banks are open for business in the United States or such other days as may be specified by the Directors with the approval of the Depositary provided there shall be one Dealing Day per fortnight and all Shareholders will be notified in advance. Notwithstanding the foregoing, it will not be a Dealing Day for the Fund where either as a result of public holidays or market/stock exchange closures in any jurisdiction, it makes it difficult (i) to administer the Fund or (ii) value a portion of the Fund's assets. For further details on proposed Fund closures throughout the year, Shareholders and prospective investors should contact appointed distributors or the Singapore Representative or consult the Funds Holiday Calendar (a copy of which is also available from appointed distributors or the Singapore Representative).
Dealing Deadline	: means generally before 5:00 p.m. (Singapore time) on each Dealing Day.
Fixed Income Instruments	: includes Fixed Income Securities and derivative instruments including but not limited to futures, options and swap agreements (which may be listed or over-the-counter) that are issued in connection with, synthesise, or are linked or referenced to such Fixed Income Securities.
Fixed Income Securities	: includes the following instruments: <ul style="list-style-type: none"> (a) securities issued or guaranteed by Member States and non-Member States, their subdivisions, agencies or instrumentalities; (b) corporate debt securities and corporate commercial paper; (c) mortgage-backed and other asset-backed securities which are transferable securities that are collateralised by receivables or other assets; (d) inflation-indexed bonds issued both by governments and corporations; (e) event-linked bonds issued by both governments and corporations; (f) securities of international agencies or supranational entities; (g) debt securities whose interest is, in the opinion of bond counsel for the issuer at the time of issuance, exempt from U.S. federal income tax (municipal bonds); (h) freely transferable and unleveraged structured notes, including securitised loan participations; (i) freely transferable and unleveraged hybrid securities which are derivatives that combine a traditional stock or bond with an option or forward contract; (j) loan participations and loan assignments which constitute money market instruments. Fixed Income Securities may have fixed, variable, or floating rates of interest, and may vary inversely with respect to a reference rate.
Net Income	: means net investment income of the Underlying Fund (which consists of interest and dividends, less expenses).
Prospectus	: means the prospectus of the Company.
Singapore Business Day	: means a Business Day (excluding Saturday) on which commercial banks in Singapore are open for business.
Singapore Offering Documents	: consists of the Singapore Supplement, the Prospectus and the supplements to the Prospectus (including the Supplement).
