KEY FEATURES OF THE SUB-FUND

WHAT ARE YOU INVESTING IN?

- You are investing in an ILP Sub-Fund that invests 100% into the Underlying Fund, an open-ended collective investment scheme (referred to as an “undertaking for collective investment in transferable securities” or UCITS) constituted in Luxembourg that aims to provide you with a combination of interest income, capital appreciation and currency gains.

Refer to “Investment Objective, Focus and Approach of the Funds” section of the Underlying Fund’s Singapore Prospectus, and the “Dividend Policy” section of the Underlying Fund’s

¹ For ILP sub-funds that feeds 100% into an underlying CIS fund, some of the information provided below could be similar to the underlying CIS fund.

² In order for units in the ILP sub-fund to be classified as Excluded Investment Products, the investment objectives and investment focus of the ILP sub-fund, and investment approach of the manager have to be stated in the product summary:

- to invest only in deposits or other Excluded Investment Products; and
- not to engage in securities lending or repurchase transactions for the ILP sub-fund.

The definition of “Excluded Investment Product” can be found in Annex 1 to the Notice on Recommendations on Investment Products [Notice No. FAA-N16] at <http://www.mas.gov.sg/Regulations-and-Financial-Stability/Regulations-Guidance-and-Licensing/Financial-Advisers/Notices.aspx>.

Investment Strategy	
<ul style="list-style-type: none"> The Underlying Fund will invest principally in debt securities and debt obligations issued by governments, government-related issuers or corporate entities worldwide. It may also invest, amongst others, in (i) debt obligations issued by supranational entities, such as the European Investment Bank, or (ii) mortgage and asset-backed securities, or (iii) securities in default (limited to 10% of its net assets) (securities are said to be in default when the issuers are not currently making interest payments). The Underlying Fund can use derivatives for hedging, efficient portfolio management and/or investment purposes. The Underlying Fund may distribute income gross of expenses. Whilst this might allow more income to be distributed, it may also have the effect of reducing capital. The Underlying Fund may invest up to 25% of its net assets in debt securities issued and/or guaranteed by a single sovereign issuer (including its government, public or local authority) with a credit rating below investment grade at the time of purchase. 	Refer to “Investment Objective, Focus and Approach of the Funds” section of the Underlying Fund’s Singapore Prospectus for further information on the investment strategy of the Sub-Fund.
Parties Involved	
<p>WHO ARE YOU INVESTING WITH?</p> <ul style="list-style-type: none"> The Investment company of the Underlying Fund is Franklin Templeton Investment Funds. The Management company is Franklin Templeton International Services S.à r.l. The Custodian of the Underlying Fund is J.P. Morgan Bank Luxembourg S.A. The Singapore representative of the Underlying Fund is Templeton Asset Management Ltd. 	Refer to “Management and Administration” section of the Underlying Fund’s Singapore Prospectus for further information on the role and responsibilities of these entities.
KEY RISKS	
<p>WHAT ARE THE KEY RISKS OF THIS INVESTMENT?</p> <p>The value of the Underlying Fund and the income you receive from your investment may rise or fall. These risk factors may cause you to lose some or all of your investment.</p>	Refer to “Risk Factors” section of the Underlying Fund’s Singapore Prospectus and “Risk Considerations” section of the Underlying Fund’s Luxembourg Prospectus for further information on risks of the Sub-Fund.
Market and Credit Risks	
<p>You are exposed to economic, political and regulatory risks.</p> <ul style="list-style-type: none"> Such risks are prevalent in developed as well as emerging markets, both of which the Underlying Fund may invest in, but these risks may be especially variable in emerging markets. <p>Your investments are subject to interest rate risk.</p> <ul style="list-style-type: none"> Movements in interest rates may negatively affect the value of the Underlying Fund’s investments in debt securities. Debt securities with longer-term maturities tend to be more sensitive to interest rate changes than shorter-term securities. <p>You are exposed to credit risks of issuers.</p> <ul style="list-style-type: none"> If an issuer fails to make principal and interest payments when due, the value of your investment in such issuers will be adversely affected. This Underlying Fund invests in a mix of government and corporate securities where there is generally less risk of default for 	

<p>government securities than for corporate securities.</p> <ul style="list-style-type: none"> o The Underlying Fund may invest in low-rated or non-investment grade debt securities or instruments. Such investments may fluctuate significantly, more so than investment grade securities, and there is a greater likelihood that the issuer may default, subjecting your investment to losses. <p>Your investments are subject to currency movements risks.</p> <ul style="list-style-type: none"> o Securities held by the Underlying Fund may be denominated in currencies different from its base currency. The Underlying Fund may seek to hedge currency exposures or take a currency position for investment purposes, exposing your investment to losses if currencies move against these positions. 	
Liquidity Risks	
<p>The Underlying Fund’s liquidity may be affected during exceptional circumstances.</p> <ul style="list-style-type: none"> o The Underlying Fund may not be able to easily sell securities during an economic event or due to deterioration in the creditworthiness of issuers in which it invests. o Shares of the Underlying Fund may be redeemed on any Dealing Day. However, during a period when trading on relevant exchanges or the over-the-counter market is substantially restricted or when market conditions make it impracticable to dispose of or value any of the Underlying Fund’s investments, redemption of the Underlying Fund’s Shares may be suspended. o Redemptions of Shares may be deferred when more than 10% of the value of the Underlying Fund’s Shares are redeemed or exchanged on any one Dealing Day. <p>The Underlying Fund is not listed.</p> <ul style="list-style-type: none"> o The ILP Sub-Fund is not listed and you can redeem only on Business Days. o There is no secondary market for the ILP Sub-Fund. All realisation requests should be submitted to Aviva Ltd. 	<p>Refer to the sections “Sale of Shares” and “Suspension of Valuation, Issue, Sale and Switching of Shares” of the Underlying Fund’s Singapore Prospectus for further information.</p>
Product-Specific Risks	
<p>You are exposed to derivative risks.</p> <ul style="list-style-type: none"> o The Underlying Fund may invest in derivatives which may be purchased on regulated markets or over-the-counter and may have less liquidity than conventional assets, exposing the Underlying Fund to higher risks and potential losses. o The Underlying Fund may invest in structured products and derivatives such as credit-linked securities, credit default swaps, total return swaps, interest rate, index or foreign exchange swaps, futures, forwards, and options, all of which are subject to significant liquidity and counterparty risks. o Use of derivatives may result in negative exposure to a specified yield curve or duration range or to a currency or credit, resulting in potential losses if the expected shift in the yield curve or changes in interest rates, currencies or credit spreads does not occur.

VALUATIONS AND EXITING FROM THIS INVESTMENT
HOW OFTEN ARE VALUATIONS AVAILABLE?

All ILP sub-funds will be priced based on the frequency of the fund manager’s pricing. The fund prices are available at Aviva Ltd’s website at www.aviva.com.sg.

HOW CAN YOU EXIT FROM THIS INVESTMENT AND WHAT ARE THE RISKS AND COSTS IN DOING SO?

- You can exit the ILP Sub-Fund by submitting a request for withdrawal or fund switching (i.e. switches) to Aviva Ltd.
- If your Policy is newly incepted, you may cancel the Policy by giving us written notice of cancellation provided that such notice of cancellation is received by Aviva Ltd at its Registered Office within the free-look period, which is fourteen (14) days from the date on which you receive the Policy.
 - Upon cancellation of the Policy, Aviva Ltd will refund the premiums you paid (without interest) after deducting the expenses incurred in issuing the Policy. The refund will be made after we receive the original Policy for cancellation.
 - If there has been a decline in the market value, we will deduct the amount necessary to reflect the change in market value. If there has been an increase in the market value following the date Aviva Ltd accepts your request to cancel the Policy, We will not pay you for such increase or any gain.
- For subsequent withdrawal/surrender or fund switching, transaction requests will need to be received and accepted by Aviva Ltd:
 - (a) before 12 noon (Singapore time) on a Business Day will be processed according to the Unit Prices of the relevant Funds and the exchange rates (if applicable) prevailing on the next appropriate Fund Valuation Date following the day Aviva Ltd has accepted the request.
 - (b) after 12 noon (Singapore time) on a Business Day or on a non business day will be considered as if received before 12 noon (Singapore time) on the following business day.
- The ILP sub-fund will have a single “dealing” price used for all switches and withdrawals/surrenders. There is no bid/offer spread.
- All ILP sub-funds will be priced based on the frequency of the fund manager’s pricing policy. As Units are cancelled using a forward price, the unit price for all switching and withdrawal of units will not be available at the time of receiving your application.

This cut-off time stated is correct as at the time of print. Aviva Ltd reserves the right to change the cut-off time by giving You thirty (30) days’ prior notice or any such shorter period of notice as Aviva Ltd may agree with the relevant authorities.

- The Withdrawal Amount you will receive as part of a subsequent withdrawal is illustrated as follows:

For a partial withdrawal request of 1000 units of an investment-linked fund.

- Assuming the unit price of the fund is S\$1.50:

The amount payable to the policyholder will be S\$1500, which is calculated as 1000 units x S\$1.50.

Refer to the Pricing of Units & Dealing Deadline, Fund Switching, Withdrawal/Surrender and Free Look sections of the Product Summary for further information.
