Investment Strategy

¹ For ILP Sub-Funds that feed 100% into an underlying CIS fund, some of the information provided below could be similar to the underlying CIS fund.

² In order for units in the ILP Sub-Fund to be classified as Excluded Investment Products, the investment objectives and investment focus of the ILP Sub-Fund, and investment approach of the manager have to be stated in the product summary:

(a) to invest only in deposits or other Excluded Investment Products; and
