All documents supporting the claim must also be submitted to **Us** within 90 days of the incident or discovery of injury, damage or liability.

Any communication **You** receive about the incident should be sent to **Us** immediately. **You** must not discuss liability, promise any payment or refuse any claim without **Our** written consent.

All certificates, receipts, information and evidence required by **Us** shall be supplied free of expense to **Us**, in the form prescribed by **Us**.

Failure to comply with the time and procedure stipulated for the making of a claim in this clause shall invalidate the claim and no benefit shall be payable under this policy.

In addition, **We** shall have the right to require an autopsy in the case of death, where this is not forbidden by law or religious beliefs. **We** will bear the expenses incurred in such examinations, unless the claim is proved to be invalid, in which case **We** shall be entitled to recover all the expenses so incurred from **You**.

**We** shall have full discretion in the conduct of any proceedings or the settlement of any claim.

Any person who is seeking indemnity under this policy shall give **Us** all the information, documents and assistance **We** require to enable any claim to be validated for **Us** to achieve a settlement.

## 4. Automatic renewal

This policy will be renewed automatically for each **Policy Year** if all premiums are duly received by **Us**, unless **We** receive cancellation instruction from the policyholder named on **Your Schedule**. No renewal notice will be sent to **You**. In the event that **We** make any changes to the premiums, provisions, limits or coverage, **We** will write to **You** 30 days in advance and the changes will apply to **You**.

## 5. Payment before cover

In order for cover under this policy to take effect, **We** must receive the full annual premium due before the start date of each **Policy Year**.

If the full annual premium is to be received by instalments or recurring payments, successful receipt of each instalment by **Us** before the **Due Date** would automatically trigger coverage for the period for which premium is paid. If **We** do not receive the full instalment amount on or before the **Due Date**, **We** will cancel **Your** policy and any payment received after the **Due Date** will not affect the termination of this policy.

## 6. Our rights

**We** are entitled to take over and carry out in **Your** name the defence or settlement of any legal action. **We** may also take proceedings at **Our** own expense and for **Our** own benefit, in **Your** name, to recover any payment **We** have made under this policy to anyone else.

When this happens, a decision must be made before **You** can take any legal action against **Us**.

## 12. Payments made under insurance regulations and rights of recovery

If the law or collective industry agreement in any country in which this policy operates requires **Us** to settle a claim which, if this law or collective industry agreement had not existed, **We** would not be obliged to pay, **We** reserve the right to recover such payments from **You** or from the person who incurred the liability.

If **We** have paid for any loss, damage or injury where such amount is recoverable from another party, all **Your** rights of recovery will be subrogated to **Us**.

## 13. Access to Your registered medical practitioners

To assess whether the cover applies, **You** may be asked to supply the name and contact details of **Your** registered medical practitioners or **Doctors** to enable **Us** to access **Your** medical records. If **You** do not agree to allow **Us** access to **Your** medical records or provide **Us** with any details required to do so, **We** may not deal with **Your** claim.

## 14. Settlement of Claims
